

FIRE Tech Academy

Presents the following IFSAC Certified Class as part of the Officer Development Academy

Fire Officer I **June 13th-14th, 2024**

This course is designed for the first-line company officer/supervisor and satisfies the requirements of the National Fire Protection Association (NFPA) 1021 Standard for Fire Officer Professional Qualifications, Chapter four “Fire Officer I”. It is designed around classroom lectures and group exercises to improve your abilities to manage a single fire company. This includes responsibilities such as the development of an Incident Action Plan (IAP), personnel management and mentoring, and community relations.
