NATIONAL FIRE ACADEMY OFF-CAMPUS COURSE

Leadership in Supervision: Frameworks to Success
December 15-16, 2022

This two-day course provides the supervisor with the knowledge and skills to perform successfully in the fire and Emergency Medical Services environments. The course addresses professionalism, resilience, emotional intelligence, and situational awareness, as well as managing conflict, delegating mentoring, coaching, empowering, and building collaboration and synergy for professional growth.

Target audience are those at the first line level of supervision or those working towards a supervision position.
