NATIONAL FIRE ACADEMY OFF-CAMPUS COURSE

***Leadership in Supervision: Creating Environments for
Professional Growth***
September 12th-13th, 2024

This two-day course presents the supervisor with the basic leadership skills and tools needed to perform effectively in the fire and EMS environment. The course includes concepts related to a successful transition to supervisory and leadership roles, including concepts of adaptive leadership; change management; active followership; effective communication, including difficult conversations and advocacy-inquiry based dialogue; ethics; authority; power; decision-making; and active engagement through development of a personal plan.

Target audience are those at the first line level of supervision or those working towards a supervision position.
