

Fire Tech Academy presents the following IFSAC Certified Class as part of the
Officer Development Academy

Fire Instructor I
September 22nd – 23rd, 2025

This two-day Fire Instructor 1 course will be delivered in-person. Each day will run from 0900-1600 with an hour lunch. Coffee and tea will be provided. Instructors reserve the right to dismiss class early. The final day is exclusively for testing and presenting. The curriculum is designed to provide students with the knowledge and ability to deliver instruction effectively from a prepared lesson plan. Instructional theory and practice will also be a focus. This program covers all necessary curriculum requirements of NFPA 1041: Standard for Fire Service Instructor Professional Qualifications. This two-day course consists of test-prep on day one and IFSAC testing on day two.
